Tips:

- Use LOOK / COVER / WRITE / CHECK to learn words.
- Spend a few minutes every day on your spelling lists.
- Keep a notebook for spelling.
- Spelling is something you can work on with a friend.
- Don't try to learn too many words at once. One list per week is enough.
- For words that are difficult to spell, try to match a picture to the word so that when you think of the picture, you can remember the spelling.
- In your spelling list, highlight the difficult part of the word: E.g. friend ; beginning
