

Listening to Songs

Go to lyricstraining.com and choose a song that you like.

Before you listen... Think about the title of the song and what you know about the singer/band. *What kind of music is it? What do you know about the song already?*

While you listen...

First time: Don't choose a game mode. Click on  Karaoke at the bottom right. Just listen and watch the video.

What was the main idea of the song?	
Is it happy/ sad/ angry/ romantic/ thoughtful?	

Choose one of four levels: Beginner, Intermediate, Advanced and Expert.

Listen again and fill in the missing words as you hear them.

Vocabulary focus...

Choose 3-5 new expressions. Use the song to guess the meaning and write down your guess before you use a dictionary to check. *How good were your guesses?*
