

School Rules for under-18 students

All students at Languages International must follow the School Rules, which are in the Student Handbook and on our website at <https://www.languages.ac.nz/how-to-enrol/school-rules/>, and the Conditions of Enrolment, which are on our Application Form and on our website at <https://www.languages.ac.nz/how-to-enrol/conditions-of-enrolment/>. There are some extra rules for students who are under 18 years of age.

1. You must come to your classes every day and on time (*If you are sick, you must telephone the school. If you are away for more than 2 days, you must show us a medical certificate from a NZ-registered doctor.*)
2. You must go back to your homestay or designated caregiver accommodation in time for dinner every evening (*If you cannot return for some reason, or if you will be late, you must telephone your host family or designated caregiver at least 3 hours in advance.*)
3. If you go out in the evening, you must be home by 10.00pm (22.00) on Sunday to Thursday nights, and 12.00am (0.00) on Friday and Saturday nights.
4. You must not stay away from your homestay or designated caregiver accommodation overnight without the permission of Languages International **and** your host family or designated caregiver (*You must tell Languages International even if you are going away overnight with your host family or designated caregiver.*)
5. You must obey New Zealand's laws about alcohol and cigarettes:
 - You are not allowed to drink in a public place, go into a pub or bar, buy alcohol or ask someone else to buy it for you, or carry identification that does not show your true age (*These rules mean that you will not be able to join some Languages International Social Programme activities.*)
 - You are not allowed to buy cigarettes or other tobacco products.

Languages International organises a Social Programme for its students, involving social, cultural and sporting activities after class hours. By signing this form, the parents or legal guardians of an under-18 student give their permission for the student to take part in any such activities which are open to under-18 students.
